

# Training Institute

Parking Information  
3450 North 3<sup>rd</sup> Street, Phx, AZ 85012

We are located on 3rd Street between Indian School Road & Osborn (1 block north of Osborn, on the SW corner of 3rd Street & Mitchell).

Turn west onto Mitchell from 3rd Street and come a little past our building. On the same side of the street that our building is located, you will find an above ground (street level) parking lot. Pull into this lot, get your metered ticket, and bring that to the front desk receptionist -- your ticket will be validated so there is no charge to you.

As you can see by the parking map, we share space with Landmark Education and most spots are reserved for staff. Parking in a prohibited spot could result in your vehicle being towed. We appreciate our guests parking at the above ground parking lot.

As a courtesy, if for any reason you need to cancel any registered training(s), call or email us as soon as you are able.

The Training Institute looks forward to you joining us and hopes that you enjoy your training experience!
